Do we have a higher quality icon? If not I can find one. This is used across several pages

Font weight for first name in 'Black' – the weight not the colour haha

Welcome back,
Orlando 🖐️

Can we increase font size a little

Start scanning your points cards

Can we increase the button and font size a little

Finish Scanning

Can we remove the purple outline/drop shadow

Font weight change to 'Extra Bold'

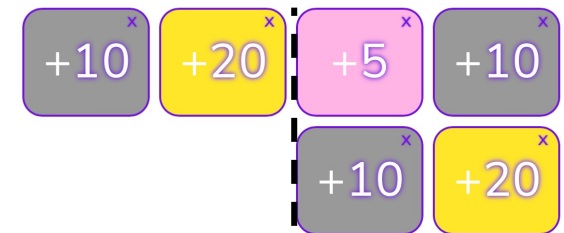

Change colour of 'x' to white

Font weight change to ' Black'

Points added:

+75

Decrease width of purple box, to “two points boxes width”

Points added:

+75

You did it, Orlando👍

You've just added some more points to your score.

+160

Head back out there and get some more points...

Increase font size slightly

Add padding to top of points box

Change font to "Black"

Increase text size to same as "you've just added...". Same padding

Increase button font weight and size slightly.
Change to black text. No border colour

Display small photo? Increase in size over hover

Maybe a tick box to display/"xxx" points, so if share screen to fix a child, points don't show up until we click a button? Stops people accidentally seeing their score

Search to filter members, groups or section

	NAME	GROUP	TOTAL POINTS	SECTION	EDIT PHOTO
	Conner Gillespie	13	240	Beavers	
	Orlando Mendez	14	535	Beavers	
	Calvin Fields	15	30	Beavers	
	Dillon Durham	16	0	Cubs	
	Josiah Castaneda	17	0	Cubs	

Change name font to "Bold"

Justify all text "left"

Can we make these more like "tags", with the section colours as below. Will be quicker to pick out a beaver e.t.c then?

BEAVERS

CUBS

SCOUTS

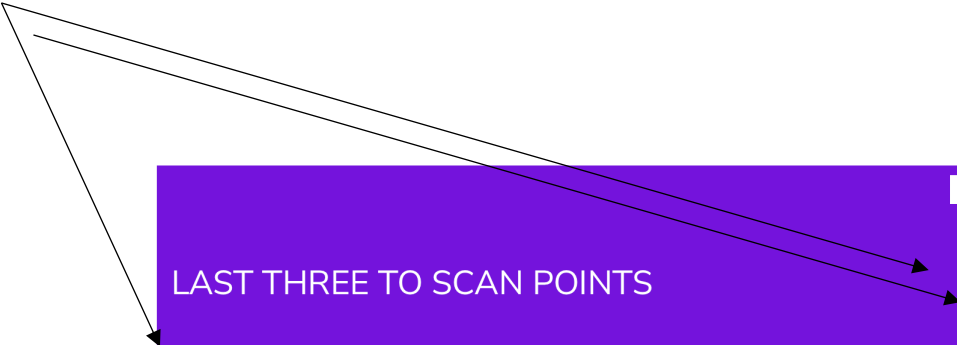

EXPLORERS

ADULT

To keep it simple, we can remove this box, move time across, and just display the hh:mm:ss a lot bigger, like

Change font to 'Extra bold'
